

ORDER OF  
AHEPA  
FOUNDED 1922  
Valley Forge Chapter #432  
Chapter Report  
June 2019 – June 2020

POWER DISTRICT NO. 4  
COMMONWEALTH OF  
PENNSYLVANIA

Our chapter continues to flourish over the last calendar year by adding several members and holding monthly meetings. Members of our chapter continue to support volunteer efforts for Saint Sophia's church festivals in June, September, and November of 2019.

On Sunday October, 20th 2019 the Valley Forge Chapter #432, officially inducted Pennsylvania State Representative Steven Malagari into the Chapter and held our fall kick-off meeting to discuss AHEPA scholarship/charities along with discussion of calendar of events which will include our 3rd Annual Super Bowl Party with proceeds benefiting AHEPA charities.

During this event we helped raised \$500 for Service Dogs and held a successful fundraiser for the chapter with a Cheesesteak luncheon held on Meatfare Sunday. As part of our efforts to promote AHEPA we continue to maintain the provided web site at - <https://ahepawaterdistrict4.com/chapter/432/index.htm> – and provide regular Sunday bulletin updates concerning our chapter.

Due to recent Corno Virus shelter in place, we had to shutdown our monthly meetings but continue to maintain contact with our elderly members for their well-being and for those who able to make use of available technology maintain contact for AHEPA news/events and causes related to the Corno Virus outbreak.

Fraternally,

Matthew Stolarczyk

AHEPA VFC 432 President
