Dear AHEPA Family and Guests,

It is with great pleasure I extend greetings on behalf of the Daughters of Penelope.

The Daughters of Penelope was founded in 1929 and has thrived for over 89 years. Originally the focus was inward to the members of the community to help them develop a productive life as American citizens. Our organization has now progressed over several generations, has developed resources and spread across the United States, Canada and Greece, and now is expanding throughout Europe and Australia. We continue to sponsor and support important community initiatives such as Penelope House, Penelope Place, Salute to Women, Women's Athletic Hall of Fame, the Educational Foundation, and a growing number of scholarships to help our members address new challenges.

Our goal this year was to empower women to reach new heights and to encourage a Sisterhood where women grow, learn, share, have fun and make a difference for themselves and their communities. We worked to build on our successes, involving women of all generations. We continued to expand the organization and support our members to work on strengthening their chapters and districts. I am proud to say we have added three new chapters in the United States, and continue to initiate and reinstate many new sisters into our organization throughout our domain.

You have worked hard to provide the many programs we sponsor to illustrate our organization's promise, strength and contribution to its members and to our community. To sustain our progress and continue to strengthen the Daughters of Penelope, make this an organization where every sister brings a sister, every sister mentors a sister, every sister helps a sister, and every sister celebrates a sister.

As we look back on our work in 2019, I hope each of us celebrates our accomplishments and builds on our successes!

Wishing you an enjoyable and successful District Convention with meaningful and progressive deliberations and discussions leading to a successful new year. I hope to see you at our Supreme Convention in Chicago, Illinois June 30 -July 5, 2019.

Let us continue in fellowship as we attend this year's convention and participate in the meetings. Make your voice heard and support the continued progress of our Sisterhood.

It has been my honor and pleasure to serve as your Grand President.

Love and Respect in Theta Pi,

Dear AHEPA Convention Delegates and Guests,

June 2019

On behalf of Holy Trinity Greek Orthodox Cathedral, I would like to welcome you for the 87th District Convention to our wonderful city of Harrisburg which is the Capitol City of Pennsylvania. It is a beautiful place with a one-of-a-kind exquisite State Capitol, our beautiful Susquehanna River and many other areas that many come to visit. Also, you will have the pleasure of going and visiting the "Sweetest Place on Earth"; the Hershey Chocolate World, Hershey Park and other sites. It is a beautiful area that the entire family will enjoy.

I also would like to welcome you to our beautiful Holy Trinity Cathedral. We have made many renovations since the last time you visited. We have added iconographed wall icons, we have put marble in our Holy Altar, marble in the Solea and marble in the Church. We are working hard to make this the most beautiful Cathedral in the U.S.

I would also like to commend the Power District #4 Lodge of Officers who together are hosting this District Convention at the exquisite Holiday Inn/Grantville location in our luxurious Hershey. Mr. Charles Mackenzie, Convention Chairman, Dr. Michael Billys, Convention Co-Chairman and Mr. Christ Megoulas, Convention Co-Chairman are working very hard and diligently to make all the arrangements be perfect for all.

We are very proud of our AHEPA Chapter #64's accomplishments and the most recent awards received as "Chapter of the Year" for the past few years. The Chapter has had a 40% increase in growth due to the very dynamic Membership Committee who have focused on recruitment through very superb programs such as the Prokop/Valdyka Scholarship Program, the Blood Donor Program, the Cooley's Anemia Program and the many elaborate Dinner-Meetings that feature famous guests serving as keynote speakers. I have been honored to give the opening and closing prayers, as well as offering spiritual messages while praising the philanthropic and charitable efforts of this fraternity. The fellowship is outstanding which contributes to the overall spiritual outreach of love that permeates throughout our Holy Trinity Cathedral Community.

Again, my sincerest welcome to all. I know that you will have a good time here in Harrisburg and Hershey. May you enjoy a very successful Convention. May our Lord protect and guide you throughout your meetings and deliberations. May you also have safe travels home.

Yours in Christ,

Rev. Michael E. Varvarelis

Dear Friends,

I am honored to welcome you today to Grantville for the American Hellenic Educational Progressive Association (AHEPA) Power District 4 Convention.

The work you do in your communities deserves to be highlighted and congratulated, and I am glad to do so. The mission of the AHEPA promotes, among other things, individual excellence through community service and volunteerism. I personally know how important community service and volunteerism is to communities throughout the Commonwealth. As Mayor of Braddock, a down-on-its-luck steel town outside of Pittsburgh, I was amazed by the work we could accomplish by coming together as a community to better our town. AHEPA is an important component to the betterment of our communities across Pennsylvania, and I thank each one of you for the commitment you have to your personal communities.

As your Lieutenant Governor, I'm pleased to extend my best wishes and congratulations on a successful convention with your peers. Pennsylvania's communities benefit greatly from the service of AHEPA members, and I'm honored to welcome you to this convention.

Thank you,

The American Hellenic Education Progressive Association
Power District #4

Dear AHEPA Members and Guests:

καλως ορισσατε φίλοι!

As the first Greek American State Senator in Pennsylvania, it is my honor to welcome you to Grantville and the Capitol Area for the 87th Annual Convention of the American Hellenic Education Progressive Association District #4.

I am proud to have been born in Athens to a Cretan father, who taught us to hold our heritage dear and to this day shares his memories and stories about Greece with us, including his experience living through the Italian occupation as a boy. As a State Senator I am proudly guided by the same Hellenic values that your organization promotes. Indeed, the Hellenic value of civic responsibility is why I ran for office. This year I was proud to introduce a resolution honoring March 21st as Greek Independence Day in Pennsylvania and I hope to continue to honor our rich cultural heritage during my time in office. As a mother, I am proud to raise my son in our traditions and to pass on our rich history and customs.

Being a Greek American is so deeply important to me, and I am grateful for the work that your organization has done for Greek Americans since its founding in 1922. Thank you for all that you do to promote the ancient Hellenic ideals of education, philanthropy, civic responsibility, family, and individual excellence as you help your communities. You keep our culture alive and well in America and you honor our community through your efforts.

As you engage in convention business, I hope you find further community in your fellow Greek Americans from across our great Commonwealth. I wish you the very best and hope this conference is productive, informative, and most of all enjoyable.

Sincerely,

Dear AHEPA Members,

Thank you for the kind invitation to attend the 2019 American Hellenic Educational Progressive Association Power District 4 Convention. Though I regret being unable to address this august body due to a previously scheduled commitment, I warmly welcome you to beautiful Southcentral Pennsylvania.

I understand the AHEPA has helped assimilate Greek immigrants and their vibrant culture into American society since 1922. AHEPA's accomplishments have been nothing short of exceptional; from helping to spur positive changes to the Visa Waiver Program, to supporting The Smile of the Child in helping children of violence, poverty and impaired health, you have made - and continue to make - a positive impact on our Nation.

Although Americans may have diverse backgrounds, we share common values that advance freedom, community and individual excellence, which strengthen rather than divide us. In that vein, I am delighted to hear that you've chosen the 10¹¹¹ Congressional District to host this year's conference. The AHEPA and organizations like it that advocate for excellence through service to mankind, demonstrate the strong commitment towards achieving cultural peace and cooperativity in America and abroad.

On behalf of the citizens of the 10th Congressional District, welcome to Pennsylvania! Thank you for your service and commitment to strengthening our communities and Country. I wish for you a successful and meaningful convention.
