AHEPA #64

Visit to the State Capitol

Eight AHEPAn brothers visited the State Capitol of the Commonwealth of Pennsylvania and were present for the reading of proclamation recognizing Greek Independence Day of March 25th, 1821.

The AHEPAn brothers were accompanied by members of the Holy Trinity Greek Orthodox Cathedral of Camp Hill, Pennsylvania and the presiding priest, Rev. Father Michael Varvarelis.

The group toured the Capital, met with Governor Tom Wolfe, and were present in the Chamber when Representative Ryan Mackenzie read the proclamation recognizing Greek Independence Day as well as House Resolution 734 regarding Greek-American Heritage Month.

### House Resolution 734, Greek-American Heritage Month in the Commonwealth of Pennsylvania

Excerpts from the remarks of PA Representative Ryan Mackenzie (134th Legislative District, parts of Berks and Lehigh Counties)

...On March 25, 1821, the people of Greece declared independence from the Ottoman Empire after nearly 400 years of oppressive rule. Following 12 years of immense struggle, the Greek people finally won their freedom. Their hard-fought victory inspired nations around the world during the early 19<sup>th</sup> century to rise up against tyranny....

...It is the drive and the determination of those brave forebears of modern Greece we celebrate today in House Resolution 734, as well as the innumerable contributions Greek Americans have made to the culture and vitality of the United States....

...Indeed, America owes much of its current structure of governance to the ancient Greek city-states where democracy was born. As our own nation's founders studied classical literature and sought to establish a government by and for the people, the writings and philosophies of ancient Greece served as beacons to light the way....

...I would like to particularly recognize the members of AHEPEA (the American Hellenic Progressive Education Association), which is an organization with a philanthropic background, seeking to benefit Greek Americans by providing scholarships and sports opportunities for young Americans. They also provide housing assistance for senior citizens and do many other great things in our community....

Representative Mackenzie is the current President of the Allentown AHEPA Chapter a board member of the AHEPA #60 Apartments that provide affordable housing for seniors.

## **AHEPA Congratulates His All-Holiness Ecumenical Patriarch Bartholomew I**

**WASHINGTON, DC** - The members of the American Hellenic Educational Progressive Association (Order of AHEPA), the leading membership-based association for the nation's millions of American citizens of Greek heritage and Philhellenes, congratulate His All-Holiness Ecumenical Patriarch Bartholomew I on the joyous occasion of the 25th Anniversary of His All-Holiness' elevation to the venerable Patriarchal Throne of Constantinople. His All-Holiness Bartholomew was elected in 1991 as the 270th Archbishop of the 2000-year-old Church founded by St. Andrew, serving as Archbishop of Constantinople-New Rome and Ecumenical Patriarch.

"On behalf of the AHEPA family, I offer sincere congratulations to His All-Holiness Ecumenical Patriarch Bartholomew on this special, momentous occasion," Supreme President Andrew C. Zachariades said.

"For 25 years, His All-Holiness has provided spiritual leadership and guidance to more than 300 million Orthodox Christians worldwide and has been an inspiration to countless individuals as evidenced here in the United States by being bestowed with the Congressional Medal of Honor by the United States Congress in 1997. His All-Holiness has conveyed a loving message of peace, tolerance, and care for the environment that has made a meaningful difference the world over and has brought people of all faiths together. Moreover, His All-Holiness has promoted fundamental human rights, including the universal right of religious freedom, which unfortunately, the Ecumenical Patriarchate and His All-Holiness himself does not enjoy fully.

"The AHEPA family cherishes its long-standing relationship with His All-Holiness Ecumenical Patriarch Bartholomew and the Ecumenical Patriarchate. On this joyous occasion, AHEPA reaffirms its commitment toward the advancement of religious freedom and tolerance."

In a historic moment, His All-Holiness, accompanied by His Eminence Archbishop Demetrios, visited AHEPA Headquarters, Nov. 5, 2009. His All-Holiness also received the AHEPA Socrates Award in 1997.

The first complete biography on His All-Holiness Ecumenical Patriarch Bartholomew, titled "Bartholomew: Apostle and Visionary," authored by Fr. John Chryssavgis and published by Thomas Nelson Publishing has just been released, in celebration of this anniversary.

The Harrisburg AHEPA Chapter #64 held its Initiation-Meeting at the Holy Trinity Greek Orthodox Cathedral in December 2016. The great work of the membership committee and the chapter’s officers was reflected by the overwhelming support of over 50 AHEPAN brothers who attended and witnessed the ceremony. Eight new members were initiated and took the oath, which was an inspiration to the new members as well as all brothers in attendance. The initiation ceremony allowed each brother to relive his own commitments to continue the virtuous work of philanthropy and sacrifice for the needy and less fortunate in the world.

In addition to the eight members who took the oath, an additional 12 AHEPAN brothers who had previously taken the oath, but were never initiated, had the opportunity to witness the process. Dr. Michael Billys, Chairman of the Membership Committee revealed that most recruits were generated by merely asking the question "Do you want to become an AHEPAN?"

AHEPA Chapter #64 was proud to host this initiation ceremony officiated by officials representing both the National Headquarters and the Power District #4. We are extremely grateful and honored to have hosted you highly esteemed and honorable gentlemen who traveled long distances to make this evening very special for our brethren.

Ahepa Chapter #64 thanks these Ahepan dignitaries who were the distinguished guests who officiated with the Initiation Ceremony: Supreme Governor Region 2 Anthony J. Drakos, District Governor Alex Barlamas and Lieutenant Governor Armen Kailian

**Proudly taking the pledge!**

## **AHEPA Mission statement**

To promote the ancient Hellenic ideals of education, philanthropy, civic responsibility, integrity, and family and individual excellence through community service and volunteerism.

## **Education**

AHEPA's commitment to education has been well documented throughout its history. Over \$4 million is endowed at the local, district and national levels toward the use of scholarships and a half-million dollars is awarded annually. Thousands of young men and women have benefited as recipients of AHEPA scholarships at these various levels. The most famous recipient, perhaps, is ABC News' Host of This Week George Stephanopoulos.

The scholarship program at the national level is administered by the **AHEPA National Educational Foundation**. It offers scholarships to a wide variety of students. Recipients are: traditional and non-traditional students; seminarians, including those entering Holy Cross Greek School of Theology; and high school seniors, college and post-graduate students who are looking to become tomorrow's leaders.

The preservation of Hellenic or Classical Studies programs on college campuses is an important issue for the AHEPA Educational Foundation. A subcommittee of the Foundation, the Hellenic Cultural Commission, actively works to support the study of the Classics at universities.

In addition, educational programs such as "Journey to Greece" and Washington Internships are sponsored by the Foundation.

## **Hellenism**

An important component of AHEPA's mission is to create an awareness of the principles of Hellenism to society. These principles include a commitment to humanity, freedom, and democracy. The preservation and promotion of these ideals is where AHEPA has, and always will be, deeply committed. AHEPA educates the community on these matters through symposia, forums, and conferences.

## **The Ideals of Ancient Greece Important to All**

AHEPA members are proud of the contributions the ancient Greeks gifted to Western Civilization. As Americans, we share many of the values put forth by them: civic responsibility, philanthropy, education, family and individual excellence, and the ideals of democracy. This is the essence of our heritage. This is the core of our mission.

Moreover, throughout the span of its history, AHEPA has served as a vital vehicle for the progressive development and emergence of American citizens of Greek heritage into every facet of society: government, business, education, and the arts. This fulfillment illustrates the promise of the American Dream and symbolizes the hard work ethic of our immigrant for-bearers who labored to achieve that dream with the principles of Hellenism rooted deep in their hearts.

From the Desk of Basil Mossaidis

Brothers and Friends,

It gives me great pleasure to announce the limited theatrical release of a film called *Swing Away*, written by AHEPA Brother George Stephanopoulos. Brother George is an entertainment attorney in New York City and always had a passion to create a film and work/film in Greece. His dream has come true and he and his team recently completed this great film on Rhodes.

Following a meltdown that leads to a suspension, professional golfer Zoe Papadopoulous travels to her grandparents' village in Greece to escape the harsh spotlight of the international sports world. Between baking bread and eating baklava, she meets and mentors a ten-year-old girl who is determined - against all odds - to become the next golf sensation. Along the way, Zoe rediscovers her Greek heritage, her love of the game, and the hidden strength within herself as she inspires the townspeople in an epic showdown against a greedy American developer.

*Swing Away* stars Shannon Elizabeth (American Pie, Love Actually) and John O'Hurley (All My Children, Seinfeld) as well as many other well-known talents.

Brother George plans on attending each of the screenings below to introduce his film as well as answer questions with others involved in the production where possible. The MPAA has given *Swing Away* a PG rating, so consider checking out a showing near you with the whole family!

Dear Sisters,

It has been a privilege to have been elected as your District Governor for Power District #4. As you know, the goal of our District is philanthropy and I believe that we are achieving that within all of our Chapters and look forward to reporting on these activities in future editions of the Power District 4 *Power Line*.

The last year has been an exciting and busy one. In addition to visiting various Chapters within our District, I had the pleasure of representing fellow Daughters at the following events:

- **AHEPA 94<sup>th</sup> Annual Supreme Convention** in Las Vegas in July 2016. It was exciting to represent our District at this national event. I was also honored to receive Advisor of the year for the Maids of Athena and to accept an award for our Maids Chapter for their Event Bouzouki on the Berg (Dynamic Duo Award)

- **Governors' Seminar** in Washington, DC provided an opportunity to learn more about and discuss Daughters of Penelope goals, programs and projects. The AHEPANS, Sons, and Maids also met. This exchange of ideas and information is an important aspect of empowering me and our other leaders to assure outstanding success of our activities and philanthropic endeavors in the year ahead.
